Apr 06, 2021 (AB Digital via COMTEX) -- Emanuel Avina, President of Avina Financial Group, Discusses His Approach to Helping His Clients with Financial Planning and Wealth Management

During the interview, Emanuel discusses how Social Security is a necessary part of a comprehensive retirement income strategy. There are important considerations before choosing to claim early. Working with a financial professional is crucial in coordinating these types of benefits.

Emanuel explained that "Over a decade ago, I began this journey in financial services to help clients not only retire but to retire with more confidence. That confidence comes from knowing how, when, and where your income is coming from to fund that retirement. I am so excited to bring this education to help people understand one of the most vital resources in retirement: their Social Security."

Avina continued, "In a world of media white noise, account balances, fees, and market swings, it's easy for those numbers to feel like the goal. But at Avina Financial Group, we go beyond the numbers. That's the Avina Financial difference — that's our Retire with More Process. Our proprietary 5-step process to help you Retire with More- more of what is important to you."
